A Good Samaritan

A Good Samaritan, known on YouTube as MagicofRahat, has once again changed the life of homeless man, Eric.

A previous YouTube video from MagicofRahat went viral after the young prankster surprised homeless man, Eric, by buying him a lottery ticket.

It had been previously arranged with a local store that the man receive \$1000 from the ticket.

Many of the people who saw the video were touched by the man's reaction as he tried to share his winnings with his new friend.

Fans that were touched by the video began to send money to the Youtube star to further help Eric. In just 17 days, \$44,000 had been raised. MagicofRahat used the money to rent Eric a house for a year, decked it out with new furniture, and have put the rest of the money in an account for Eric.
